

Transferring Your Garden To The New Year

Remember: Always SAVE your work before you proceed to do any changes to your garden plans.

- Click on the "Options" button
- Select "Transfer to New Year", selecting which years to transfer in the drop down menu
- Select "Transfer Type" indicating your preferences
- Select the "Transfer Options" that allow you to transfer only the garden area you're in or for all garden areas
- Click "OK"

You're done!
